Wait List Information & Application

Dear Family,

Thank you for your interest in Emmaus Today Christian Montessori. Please complete the attached application to add your child to the wait list. Please return the completed application form with payment of **\$25 (cash/checks made payable to: ETCM)** to the address listed above. Considerable time and resources are required to administer the wait list and admissions, so please note that the fee is non-refundable, regardless of whether your child is able to enroll.

Please understand that being on the wait list does not guarantee your child admission. Spaces at Emmaus Today Christian Montessori are limited, and admission to ETCM is discretionary. We consider a variety of factors in making the decision to offer a family admission, including availability (first and foremost), the child's age, desired start date, position on the wait list, the family interview, and other factors. We do not discriminate on the basis of sex, race, ethnicity, religion, family makeup or orientation.

As soon as we know that a space is available (or will become available) for your child, we will contact you. We do not provide estimated start dates. Once a start date has been guaranteed for your child, and is accepted by you, we will send registration forms to begin processing enrollment for your child.

Should you have any questions, please e-mail us at: director@emmaustoday.com or call the school directly at: 858-576-0132.

Thank you,
Keturah Lane
Director of ETCM

Wait List Application
