Re: 2018-2019 Tuition Policy

Dear ETCM Parents:

It is re-enrollment time again! Please review the 2018-2019 Tuition Policy and Payment Responsibilities form and then fill out the Application for Re-enrollment . We are offering an optional summer session for July and August 2018.

All current families must fill out BOTH forms.

The deadline is Wednesday, March 21st (before spring break)

We have made some changes to the Tuition Policy for this coming year. ETCM will no longer charge a separate supply fee or snack fee. Parents will no longer be required to “pick up” snack at the store. We have inserted the cost of the supply fee & snack fee into the tuition daily rate. **We have NOT raised the base-rate tuition this year!** The price increase that you see (per month) includes the supply fee/snack fee that we have always charged. Also, we will be OPEN for school **an additional 7 days during the school year.** We are also OPEN an additional 4 days in the summer. We know it is hard to find childcare when we are closed, therefore we have lengthened our school year to help with that. **The additional days are charged the daily rate for each classroom.** These two reasons explain the increase in the cost of tuition. Please let us know if you have any questions.

Thank you!

Keturah Lane, Director
